Product description

Insert for drawer 1

KL-4600-200 - Tool trolley with 103-piece high-voltage assortment

Fits universally for hybrid and electric vehicles.

With its unique kit assembly, the high-voltage tool trolley offers the possibility to secure hybrid and electric vehicles ideally and to work on them. Perfect for repair and maintenance work on vehicles of all manufacturers.

All tools are insulated with protection according to **EN 60900/EC 60900**. The tool trolley has side panels with Euro perforations, a heavy-duty chassis with external bearings, ball-bearing guide rails, and central locking.
