

Hubitools

INNOVATIVE TOOL EXPERTS

With over 40 years experience in the distribution of innovative tools, Hubitools is your key partner in the automotive and industrial repair sector.

Since 2016, we've been developing our own Hubitools Design range, featuring unique, patented tools designed to help professionals solve common problems in modern vehicles.

In addition to our patented products, we have long been the exclusive European distributor for international manufacturers of quality tools.

We offer our partners a complete service from A to Z: multilingual marketing packages, technical training in our video studio, after-sales service and private-label customization.
